3. Supervisor training and experience

If you are applying for your proposed supervisor to be nominated under the Trans-Tasman Mutual Recognition Agreement (TTMRA), please provide evidence that your proposed supervisor was an approved supervisor in Australia.

In any other case, provide evidence of your proposed supervisor's training and experience for the relevant removal class as listed below and as applicable.

Class A

Experience

- Provide evidence that the nominated supervisor has at least three years' relevant industry experience, including at least 600 days in removing **friable asbestos** - some of which needs to be from the last 6 months.

Note: If the applicant is currently nominated class A supervisor on another licence (or was nominated and active in the last 6 months), they will not need to provide the above evidence of asbestos removal work.

Training

Attached is a copy of the certificate(s) issued to the nominated supervisor for the relevant courses:

- Non-Friable Asbestos Class B worker course (NZQA 29765)
- Supervise Asbestos Removal course (NZQA 29767)

Class B

Experience

- Provide evidence that the nominated supervisor has at least one year's relevant industry experience, including at least 200 days in removing **non-friable asbestos** - some of which needs to be from the last 6 months.

Note: If the applicant is currently nominated class B supervisor on another licence (or was nominated and active in the last 6 months), they will not need to provide the above evidence of asbestos removal work.

Training

Attached is a copy of the certificate(s) issued to the nominated supervisor for the relevant courses:

- Non-Friable Asbestos Class B worker course (NZQA 29765 or Australian Equivalent CPCCE3014A)
