

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Simon Humphries, Deputy GM Investigations and Specialist Services of WorkSafe New Zealand, exempt **Monokia Holdings Ltd** from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017.

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
- subject to the conditions listed on the following page:

This exemption takes effect on **29 June 2018** and expires on **29 June 2023** unless it is sooner replaced or revoked.

Signed at Wellington this *29* day of *June* 20*18*

Simon Humphries,
Deputy GM Investigations and Specialist Services
WorkSafe New Zealand

Conditions

1. This exemption is limited to the cylinder with the serial number BN8428 and to the motorhome (VIN 4UZR6BR11T2308442 in which it was imported. It is not a type approval for other cylinders of similar or identical design.
2. Gas Fire Cylinder Services Ltd must ensure that the letters LAB7708SP and its test station mark are stamped on this cylinder in accordance with regulation 15.60.
3. Monokia Holdings Ltd must fix a plate on the motorhome beside the cylinder fill point stating "not to be filled unless within test" and to enable marking with the last test date by a test station.
4. Monokia Holdings Ltd must provide WorkSafe with the registration number of the motorhome as soon as it is registered for adding to the public record of special cylinders.
